MSSOAP was established in Istanbul in 2012 and has become a well-known and well-known brand in the Soap sector with its successful High Quality Products.

MSSOAP products are exported to more than 20 countries. MSSOAP, which offers 100% of its production to foreign markets, is also known for foreign brand ELİO

MSSOAP, having succeeded in transforming its knowledge and experience into production, is eager to share them with its valuable customers. QUALITY is point of origin when fulfilling today's conscious and selective customers' needs and expectations.

Our products are presented to customers' along with enforcing our ISO 9001– 2015 Quality Control System , ISO 22716 : 2007 Cosmetics-Good Manufacturing Practice (GMP) Certificate and EU's 1223/2009/EC cosmetics directive's regulations regarding products' safety and evaluations leading to present our customers products with global standards in each and every stage of production.

ARE YOU READY TO MEET WITH THE QUALITY?

Our soaps are branded as ELIO. Convince yourself of the hygienic and fascinating smells of Water Freshness, Tropical Cadence, Forest Serenity, Floral Tenderness and Yellow Passion Elio soaps.

We bring good things to your life.

Just make something goodness for you. Because, you are precious for us.

Our Vision

To be a pioneer, innovator, dynamic, and superior-quality global brand in soap and cosmetics products.

Our Mission

To invest the experience of our liable and professional staff to create products that answer the needs of mass customers and deliver them with high quality and minimum time.

Our Products

Forest Serenity

A perfect choice for those who seek to be relieved from daily exhaustion and stress in the forest's unique serenity and peace. After shower, you will feel like having a vacation and reborn in serenity.

Tropical Cadence

The scent released from our Tropic Cadence soap series bejeweled with exotic tropic aromas will make you feel like touring a garden full of tropical fruits.

Floral Tenderness

Our Floral Tenderness soaps are decorated with ravishing floral scents selected from nature and enhanced to provide a floral sensitive care to your skin. The wild flowers' scent will make you feel yourselves in a beyond comparison flower garden.

Water Freshness

It evokes the coolness and pureness through colors inspired from water clearness and coolness. Applying its formula and fine design, the new Elio Freshness is creating the refreshing effect of water. Especially, it will be the choice when looking for combined comfort and coolness after becoming sweltered.

Yellow Passion

Are you ready to have the unique experience will feel in your whole body with the freshness and freshness of the fragrances given by the yellow flowers?
